

What Is Wagstarter?

Wagstarter is a global community of passionate animal lovers helping sick and injured pets out of the goodness of their hearts. Founded by veterinarians, Wagstarter receives donations and passes them directly to clinics who provide lifesaving care to pets in need.

How can I join and help?

Join easily by visiting Wagstarter.org/watfordcityvet on your computer or mobile device, or ask one of our staff members to help you sign up today! Becoming a member is free, but you can help other pets in need by pledging a recurring donation to the Wagstarter Hearts Fund for as little as \$10 per month (only 33 cents a day).

How does Wagstarter help this clinic?

All of our clients' donations directly help our neediest patients right here at Watford City Veterinary Center. Your support will help to provide lifesaving care and hope right here in your own community.

How does being a Wagstarter Hearts Fund donor help me?

In addition to sending email updates with pictures and reports of the animals helped from your generous donation each month, Wagstarter is here for you, too. As a Hearts Fund donor, your own pets, should they become sick or injured, will be prioritized for financial assistance at our doctors' discretion, but of course we cannot guarantee the availability of donations.

PLEASE INITIAL AND CIRCLE YOUR CHOICES

Yes, please publish my pet's case on Wagstarter!
Having your pet's case on Wagstarter helps attract donations from the public that could pay part or all of your bill. You can help spread the word by sharing it on Facebook or other social networks. We will not publish your name or private information, but please note that we may use your pet's name to personalize the story.

Yes, I'm awesome! I pledge \$10 / \$20 / \$50 / \$_____ per month to help sick and injured pets at Watford City Veterinary Center
We'll discount your bill today by the amount of today's donation (so your first month of membership in the Wagstarter Hearts Fund is free!). You may, of course, cancel your recurring donation at any time.

Please add a \$2 / \$4 / \$10 / \$_____ per month Tip for Wagstarter.org
Tips are optional, but greatly appreciated as they help support Wagstarter's operating expenses and outreach efforts. Remember, 100% of your donation above goes directly to help pay for sick and injured pets.
